Symposium

Non-coding RNA

Wiurila Manor, Salo, May 17, 2010

Registration: latest on May 7, 2010 by e-mail to eeva.valve@utu.fi

Bus departs for Salo at 8:30 from Medisiina, Kiinamylynkatu 10, Turku, Finland

Program:

9:30 – 10:00 Registration, *coffee/tea*
10:00 – 10:20 Opening and introductory words: **Juha Peltonen and Matti Poutanen**

Session I

Chair: *Emmi Rotgers*

10:20 – 11:10 **Dr. Dagmar Wilhelm, Brisbane, Australia (Non-coding RNAs in sex determination and gonad development)**
11:10 – 11:25 **Johanna Björk, Turku, Finland (miR-18 targets heat shock factor 2 in spermatogenesis)**
11:25 – 11:45 *Break, refreshments*

Session II

Chair: *Eeva-Mari Jauhilahti*

11:45 – 12:35 **Dr. Matthias Wieser, Vienna, Austria (MicroRNAs in tissue regeneration and aging)**
12:35 – 12:50 **Florence Naillat, Oulu, Finland (Mystery elucidated: how to become a female)**
12:50 – 13:45 *Lunch*
Open Spring Meeting of the Finnish Society for Developmental Biology (in a cabinet)
13:45 – 14:45 *Guided tour at the Manor*

Session III

Chair: *Kati Tarkkonen*

14:45 – 15:35 **Dr. Eric Lam, London, UK (The role and regulation of FOXO transcription factors by microRNAs in cancer)**
15:35 – 15:50 **Jenni Mäki-Jouppila, Turku, Finland (High-throughput screen for anti-mitotic miRNAs identifies inactivators of the mitotic spindle checkpoint)**
15:50 – 16:10 *Coffee/tea*

Session IV

Chair: *Matteo Da Ros*

16:10 – 17:00 **Dr. Frederic Michon, Helsinki, Finland (MicroRNAs in tooth development)**
17:00 – 17:15 **Oliver Meikar, Turku, Finland (Accumulation of piRNAs in chromatoid bodies purified by a novel isolation protocol)**
17:15 Closing words: **Juha Peltonen/Matti Poutanen**
17:30 – *Dinner at the Manor*
19:30 Departure for Turku
20:30 Arrival at Turku
